CS GPA: 3.40

Graduating class of 2019

Timpanogos High School

Graduating class of 2015

Technology Track

Part time web development boot camp

HTML CSS Javascript.

jQuery, Angular, node, react

summer of 2016

PERSONAL PROJECTS

College GPA Calculator

I have always created software during my free time. I bridged the gap between school and personal development with this project so I could improve my skills while finding a way to help me do better in school.

- Calculates GPA based on grade and credits
- is available on the iOS app store.
- 2,000+ downloads

SKILLS

Programming Languages

HTML CSS Javascript

JQUERY, ANGULAR

NODE, EXPRESS

TEMPLATING: EJS/JADE/GULP, MONGO DB

Java C#

Swift

Other

Multipeer Connectivity iOS

Communication

I go to meet ups 3-4 times a week I make connections which has benefited me. I believe this type of communication will benefit the company I work for next

Eagle Scout - age 13

WORK HISTORY

Gadzoom.net

I am a web developer at Gadzoom.

On a typical day I deal with the following tech
